

PHA Media

Creative Developer Job Description

About Us

PHA Media is one of the fastest growing and most dynamic PR companies in the UK, proud to have achieved an array of industry awards while delivering exceptional levels of service to many high profile clients. Based on Wardour Street in Soho, we are entrepreneurial, creative, news driven agency and we invest heavily in the career development of our people.

About the Role

We are currently looking for a *Creative Developer* to join our innovative *Creative Department*. This is a great, hands on WordPress developer opportunity, to work on some fantastic digital client accounts, as part of a close-knit team.

The ideal candidate will be familiar developing WordPress and working to briefs in an agency environment, have fantastic communication skills, positive attitude and most importantly, a genuine passion for developing and all things creative and social.

Overall Responsibilities and requirements

- Code and implement WordPress sites from Photoshop layout through HTML/CSS to a custom theme, functions, and plugins
- Minimum 2 Year experience of PHP programming, MySQL, XHTML, CSS3, HTML5 and JavaScript
- Experience working with WordPress at a PHP code level:
 - Knowledge of existing inbuilt WordPress functions
 - Creation of custom post types
 - Knowledge of ACF (Advanced Custom Fields Plugin)
 - Creation of clean, logical, well-documented and re-useable code
 - Creation of plugins/widgets written to conform to WordPress coding standards
- Good understanding of cross-platform and cross-browser issues
- Implementation of responsive design development
- An eye for pixel perfect development work
- Use of Adobe products
- Knowledge of Photoshop/Design
- Interested in design and making websites look the best they can be
- Development support of client website projects and including PHA's own website
- Additional, multi-format social content creation
- Manage site and domain hosting
- Familiarity with ASP .net, VBScript, web server configurations (Windows and Linux) a plus
- Knowledge of Shopify an advantage
- Experience in Liquid open-source, Ruby-based template language an advantage

About You

We look forward to hearing from people, ideally with a minimum of 2 years agency experience, who can demonstrate energy and enthusiasm for any creative challenge they encounter. Keen to be involved in all manner of accounts, integrated or otherwise and develop their career in an award winning, innovative PR agency. You might also be...

- Passionate about coding great websites
- Always looking for the next best plugin/coding practice
- Up to speed with the latest innovations and development techniques
- Passionate about all things social
- Happy to work independently, and as part of a team
- An exceptional communicator
- Highly committed
- Results driven
- Super organised
- Passionate
- On time

What You Get

We offer a variety of performance incentives; a comprehensive training and development plan as well as a diverse benefits package to ensure that you are rewarded as highly as possible. We can provide more detail on this when we meet although, put simply, we believe in recognising, encouraging and rewarding talent.

The Team

PHA people have a real love and genuine passion for the media, are driven by results and are hugely successful. We think creatively in order to differentiate ourselves, develop new approaches and deliver an outstanding level of service to all. Our success is driven by the commitment, work ethic and exceptional communication skills of our team and if this sounds like you, we would love for you to get in touch.

You can send your CV & Covering Letter including salary expectations, and a link to any online portfolio to lucyw@pha-media.com

Hours: Hours will be 8:30am to 5:30pm Monday to Thursday and 8:30am to 4pm on Friday. Additional out of hours work required on occasions for specific campaigns.
